HUAWEI E270 HSPA USB Modem

Our free gift to you

We appreciate your vision and leadership. As a token of thanks, we're adding value to your lifestyle.

Just unpacked and straight out of the box, welcome to a world of cutting-edge technology and supersonic speed.

We're pleased as punch to present our E270 modem – a state-of-the-art multi-mode wireless terminal for the mobile professional.

Altech Autopage Cellular and Huawei have launched the branded HUAWEI E270 HSPA USB Modem – a high speed packet access (HSPA) USB modem which leaves competitors in the dust.

The E270 modem also supports the following access technologies :

- HSDPA / HSUPA / UMTS / EDGE / GPRS / SMS
- HSDPA Downlink 7.2Mbps
- HSUPA Uplink 2Mbps
- 3G UMTS Downlink / Uplink 384kbps
- EDGE Downlink/ Uplink 236.8kbps
- SMS Service
- Plug & Play, for ultra-convenience
- Windows® 2000, XP & Vista Operating Systems
